## MESSAGE

Assalamualaikum Warahmatullahi Wabarakatuh

BIMP-EAGA is a fruit of cooperative initiative spirit to accelerate economic development in the five countries' "focus areas" which, although geographically distant from their national capitals, are in strategic proximity to each other, in one of the world's most resource-rich regions. The BIMP-EAGA initiative is market-driven and operates through a decentralized organizational structure involving the four governments and the private sector. Ever since it was founded in 1994, various sectors in the countries have grown together; agro-industry, fisheries, tourism, transportation and shipping, as well as energy.

Today, BIMP EAGA, especially Sport Council has even developed its cooperation with the Northern Territory as its newest member that this year it is going to have the 10th BIMPNT EAGA Friendship Games in Brunei Darussalam. The country has been an amazing host for its members. The preparation discussions have run well and the government has done great work for the readiness of the games. Nothing can describe how I, as the Chairman, on behalf of BIMPNT EAGA members feel thankful for all the great efforts that the host has done to ensure the success of this event. The purpose of holding BIMPNT EAGA Friendship Game is none else other than to improve harmony and friendship among nations.

Therefore, please be reminded that we all are here for the good purposes of this event, that is not only to increase the sport competitiveness and achievement between countries, but also to strengthen the cooperation among sport institutions. Thank you to all who also participated in preparing this event, thank you for the delegates who had the opportunity to attend, to athletes, coaches, and thank you for those who always support this friendship games.

Through this prestigious event, it is hoped that the legacy of friendship and brotherhood among these nations can be continuously be implemented by our next generations in the future.

In this very good occasion, I invite you all here to support and succeed this BIMPNT EAGA Friendship Games and good luck for all participating countries, let us pray that may this friendship games spirit will grant our hope in increasing unity, strengthen friendship and brotherhood between nations and they can be achieved to the good outcome as much as possible

## BRUNEI IN BRIEF

### *Bandar Seri Begawan*

Vibrant yet peaceful. Both modern and timeless. A fusion of majestic opulence and traditional respect.

Bandar Seri Begawan is the centre of Brunei's commerce, finance and government. In many ways, it is also the heart of Brunei's cultural landscape, housing some of the nation's most revered landmarks. The city's breathtaking Sultan Omar Ali Saifuddien Mosque is a stunning tribute to the nation's deep-rooted faith, while the truly Bruneian Kampong Ayer water village offers a glimpse of the nation's quaint Asian charm.

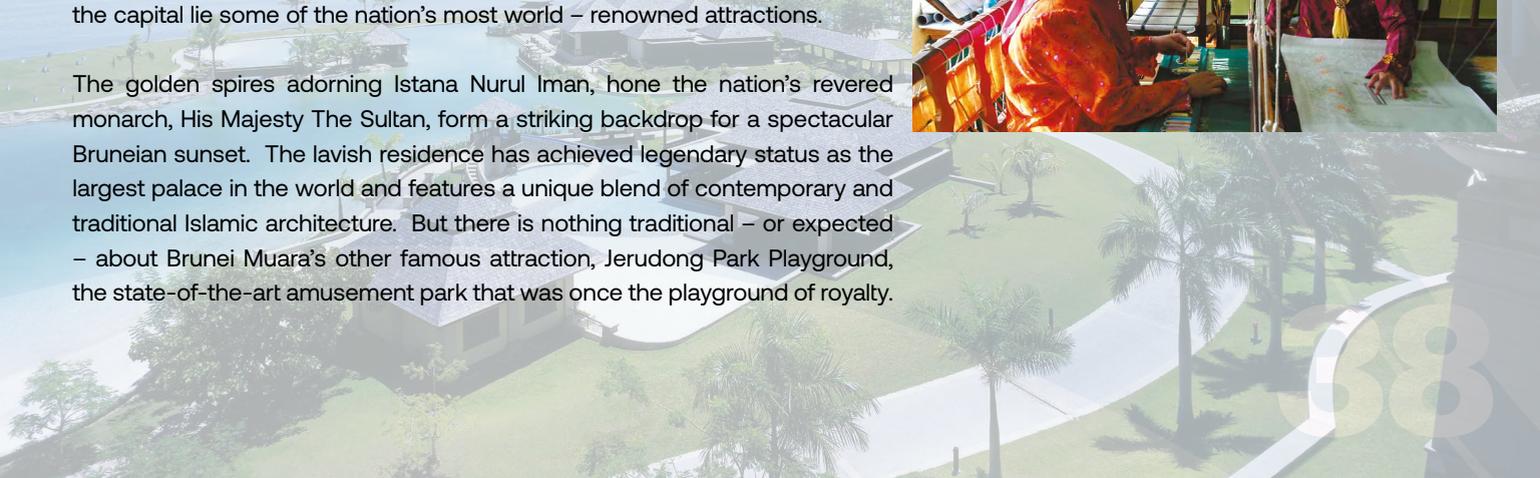

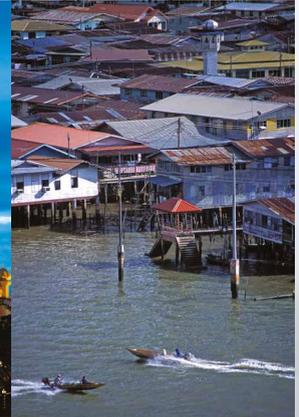

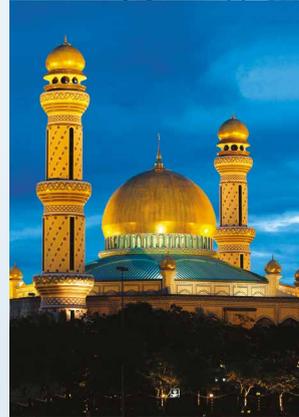

Beneath Bandar Seri Begawan's lavish adornments, gold towers, sparkling fountains and colorful mosaic tiles, lies a city steeped in a quiet respect, grounded in Islamic tradition, and exuding a sense of peace that makes it one of Asia's most distinctive capital cities.

### *Brunei-Muara*

Contemporary luxuries abound. Rustic surprise await.

Though small in size, Brunei-Muara is of great importance to the nation as the district housing Brunei's capital, Bandar Seri Begawan. As such, it is usually the first stop of any visitor to Brunei and one of the most memorable. Outside the capital lie some of the nation's most world-renowned attractions.

The golden spires adorning Istana Nurul Iman, home to the nation's revered monarch, His Majesty The Sultan, form a striking backdrop for a spectacular Bruneian sunset. The lavish residence has achieved legendary status as the largest palace in the world and features a unique blend of contemporary and traditional Islamic architecture. But there is nothing traditional – or expected – about Brunei Muara's other famous attraction, Jerudong Park Playground, the state-of-the-art amusement park that was once the playground of royalty.

## BRUNEI IN BRIEF

### *Tutong*

Sparsely populated. Ethnically diverse. A different side of Brunei.

While only a half-hour drive from the urban centre of Bandar Seri Begawan, Tutong offers a glimpse of the diverse cultures and unique lifestyles of rural Brunei, making it one of the nation's most distinctive districts.

Tutong is abundant in natural beauty, from the white sands and rocky outcroppings of Pantai Seri Kenangan beach all the way inland to the scenic and somewhat mysterious feel of Tasek Merinbun a serpentine lake surrounded by swamps and 15th century burial grounds. But the true draw of Tutong is its people. Local color abounds at the Ruma Budaya Cultural Village, showcasing the five ethnic Bornean group that make up the district's diverse population.

### *Temburong*

The call of a proboscis monkey. The thrill of a speedboat cutting through jungle waters, Unspoiled, Untamed, Unbelievable. Early European explorers told tales of the exotic wonders found on the island of borneo. Rare orchids with blooms as large as dinner plates. Elusive monkeys with long, curved noses. Rivers that snake through uncharted forests. And green verdant shades never seen before. This is temburong and all it beholds the adventurous traveler today.

Temburong is a living tribute to Brunei's dedication to preserving one of the world's most diverse eco-system. The Ulu Temburong National Park offers visitors a peek at a world untouched by man, from above or below the forest canopy. The simple culture of the Bornean long house community can also be seen – a complete and unforgettable borneo experience.

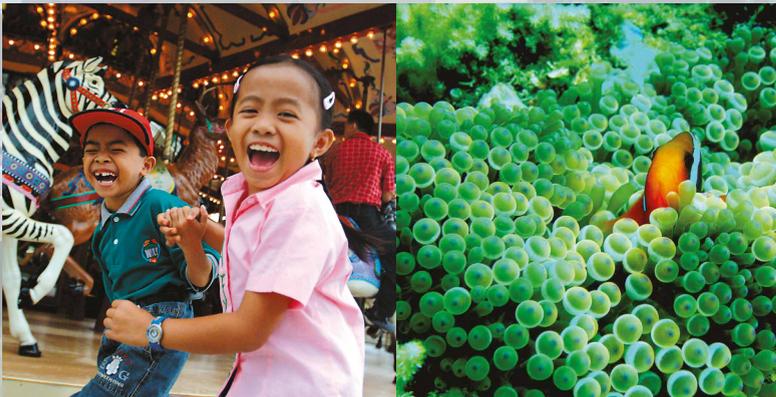

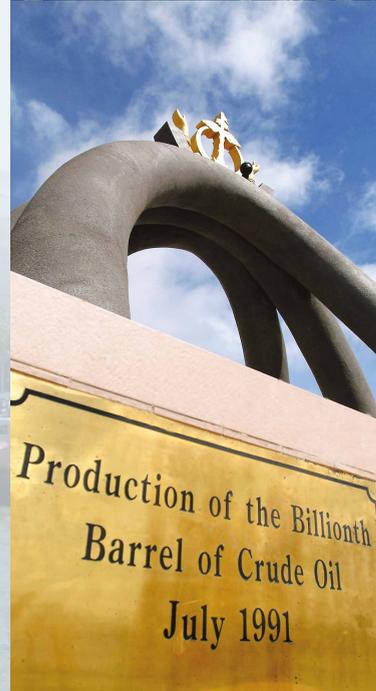

## BRUNEI IN BRIEF

### *Belait*

Birthplace of the nation's wealth, Home of the oil industry. Brunei economic heartland.

Behind the glitter of Brunei's legendary wealth lies the district of Kuala Belait. Seat of the nation's oil and gas industry, producing the country's main export commodity. While the economy today is slowly diversifying to include manufacturing services and tourism, the real "gold" of Brunei flows deep below the ground in Belait.

To see where it all began, visit the town of Seria to see rows of the affectionately-named "nodding donkeys" which pump the lifeblood of Brunei's economy from the oil-rich heart of Belait. Seria's Oil & Gas Discovery Center provides an up close view of the inner workings of the nation's main industry, and the visually striking billionth Barrel Monument immortalizes the industry's accomplishments through contemporary architectural forms.
